Rep. McGovern et al:
 I am a whistleblower who exposed a conspiracy/agreement ongoing fraud of federal/state grants as well as civil rights violations and an obstruction of justice which involves the Massachusetts SJC and apparently now Federal Judges -
 As you know, MGL c. 44 s 53a and MGL c. 71 s 37a require school committees/boards to approve all grants via a vote in a public meeting documented via the minutes. The National School Board Association, state affiliation Massachusetts Association of School Committees "MASC"craft the policies based on the law - MASC executive director Glenn Koocher does not deny or dispute the MASC/NSBA are complicit with school committees/boards policies that give the legal authority to Superintendents, Business managers, etc. to prevent them from any liability to the fraud -

Please confirm that you, Rep. McGovern do not deny or dispute being a co-conspirator to the fraud/civil rights violations by school committees, school superintendents, business managers, etc. in the districts that you represent - including the following
 Hopkinton, Ashland, Worcester, Shrewsbury, Soutboro, Medway, Uxbridge with full knowledge that schoolchildren are in harm's way if their parent questions the financial practices of their school committee.

I care only for the complete and accurate truth - and for the welfare and safety of children in Massachusetts Schools
